

How to get there

From Zurich Main Station (Zürich Hauptbahnhof, HB)
To the myclimate office at Sternenstrasse 12, CH-8002 Zurich/Switzerland

There are several S-Bahn lines to the station Zurich Enge:

S 2 (Direction Ziegelbrücke)	Platform 53
S 8 (Direction Pfäffikon SZ)	Platform 52
S 24 (Direction Horgen Oberdorf)	Platform 51

Zurich Enge is the 2nd stop.

Instead of taking the train you may take the tram (no. 6 or 7) from Zurich Main Station to the stop Station Enge (Bahnhof Enge).

Start A: From the Station Zurich Enge walk along Seestrasse. The street follows the rails.

Take a left at Sternenstrasse. Open the gate at number 12. Our office is the last house in the line (there is a little parking area and garden in front of the house): **Destination B.**
