

# OneWayNorWay

## Travel group

Average age: 18

Number of participants: 2

Education: High school student

## Priority of needs

Have fun

Recreate

View landscapes / sights

## What makes your trip climate friendly?

That we travel far, but actually do everything by train. On the Lofoten we want to cover a large distance on foot and unfortunately have to change there also on the bus. For the night we need only the tent.

## Framework

Maximum budget of 2400 CHF, both have finished high school in summer therefore not much money// max. 8 weeks time between graduation, commitments and start of semester

## Key data of the trip

Period: Jul - Aug 23

Duration of trip: 41 days

Total distance: 5687km

CO2 emission: 300kg

## Activities

Hiking, sightseeing, camping, swimming, reading

## Accommodation

Tent; Overnight stay with acquaintances;

## Means of transport

**Travel destinations:** Düsseldorf, Aarhus, Kristiansand, Oslo, Trondheim, Bodo, Lofoten, Narvik, Stockholm, Kiel,
